DISTANCE: 5.3km

## ABOUT THIS TRAIL

The trail start is at Baldernock Parish Church. From here head south along Craigmaddie Road for a short distance before taking an unmarked road on the left just before Kettlehill Farm. Follow this road until you emerge at the junction with Fluchter Road, take a left & continue northeast. After a short distance, Baldernock Primary School can be seen on the right hand side. The route continues northeast along the road and emerges at an unmarked junction. The route turns left and after a short distance turns right on to Tower Road heading east.

At the junction beside Easter Blairskath Farm on Tower Road, the trail turns left to head north.

Passing the farmhouse on the right, the track begins to climb more steeply through woodland.

The track emerges onto a path, takes a left to travel the short distance to the junction with Baldernock Lynn. On joining this road, take a left to begin the descent back towards Baldernock with great views towards the southwest. This road then ends at the junction with Tower Road, take a right following Tower Road until the junction with Craigmaddie Road. At this junction, turn left and returns to Baldernock Parish Church.

Trails and Tales is an Arts & Heritage Project which has engaged artists with communities to explore their local history and heritage. This project has generated research, conversations and creative responses to learning and has informed the design and creation of a series of outdoor sculptural arts and heritage trails, across 11 local communities (towns and villages). There are 9 downloadable maps on our website which you can use to explore East Dunbartonshire. These can also be found across our Trail Hubs, Libraries & Cultural Venues.
